The TfL Property
Company

Highgate Underground Station is situated on the Northern Line within Zone 3 of the Transport for London network, located between Archway and East Finchley stations. The station sees strong annual footfall, benefitting from a steady commuter and residential user base.

Positioned just off Archway Road (A1), Highgate Station offers convenient access into central London and the surrounding North London suburbs. It lies within the London Borough of Haringey, an area known for its mix of established residential communities and green open spaces.

Zone 3

Northern line

4.4 million

Annual Station Footfall.
